2. If an inmate files a grievance that is essentially identical to a grievance of another inmate that has been filed and processed through the grievance steps within the past six (6) months, the Grievance Coordinator may provide the grievant with a copy of the Commissioner's previous decision instead of allowing the repetitive grievance to proceed through the normal process. The grievant shall have three (3) working days from the date of the receipt of the Commissioner's previous decision to file the appeal.

4. If a moratorium on time limits is called, the affected grievances shall be processed within a reasonable time given the other duties of the staff involved and the affected grievants shall be notified in writing.
5. An inmate may request that his time limit be extended by the Grievance Coordinator for just cause.

- c. If the number of vacant inmate committee member positions makes it difficult to proceed in an efficient manner with Grievance Committee hearings, the Grievance Coordinator may temporarily appoint inmates to the inmate pool, until a new election for the inmate pool is held.

6. A committee member may be removed for:

- a. inability to perform his duties,

J. Inmate Grievance Process

This grievance process applies to all inmate grievances with the exception of grievances pertaining to health care concerns. A second grievance process for health care concerns is stated later in this policy.

1. Step 1 – Filing the Grievance and Informal Resolution

a. Preparing and Filing the Grievance

- (1) The grievance shall be in writing and legible. It shall be contained within the space on the grievance form and one (1) additional page, if necessary. Attached evidence shall not be included in this page limit and a reasonable amount

Policy Number	Effective Date	Page
14.6	February 3, 2006	8

of documentary evidence may be allowed. A waiver of the page limit may be sought from the Grievance Coordinator.

- (2) A grievance about a specific incident shall be filed within five (5) working days after the incident occurs.
- (3) A grievance shall pertain to one issue. Separate grievances shall be filed for separate issues and unrelated incidents. A staff conflict grievance may contain more than one incident, but the incidents shall all relate to the staff conflict at issue.
- (4) The grievant shall include all aspects of the issue in the written grievance that the grievant wants to be addressed by the grievance process so that they can be dealt with during step 1.
- (5) The grievant shall not use vulgar or abusive language that is unnecessary to explain the grievance. If the grievant uses this type of language the grievance may be rejected by the Grievance Coordinator as failing to comply with this procedure. If the grievance is rejected for this reason, a written explanation shall be provided to the inmate concerning the use of unacceptable language.
- (6) The grievant may list a reasonable number of inmate or staff witnesses or include statements from those who may have relevant information to present concerning the subject matter of the grievance.
- (7) The list of witnesses and any statements shall be submitted in writing with the grievance form.
- (8) An inmate filing a grievance concerning a staff member shall not suggest a specific form of disciplinary action.
- (9) A grievance alleging a criminal act involving staff shall be reported by the Grievance Coordinator to the Warden.
- (10) The Grievance Coordinator may reject a grievance that does not comply with the grievance process requirements. If the grievance is rejected, a written explanation shall be provided to the inmate concerning the reason for the rejection. A rejected grievance shall still be recorded in the grievance log with a notation indicating that it was rejected.

Policy Number	Effective Date	Page
14.6	February 3, 2006	9

b. Informal Resolution

- (1) After a grievance has been properly filed, an attempt to resolve the problem shall be made through informal means.
- (2) Informal resolution may involve the Grievance Aide, Grievance Coordinator, department head or institutional staff. The informal resolution step shall involve inquiries or discussions to attempt to resolve the grievance.
- (3) Interviews shall be made of up to five (5) witnesses, for whom a statement has not been provided by the grievant. The grievant shall provide sufficient justification on his grievance for the Grievance Coordinator to determine whether additional witnesses may be interviewed.
- (4) It may be determined on a case-by-case basis whether additional information is needed from a witness for whom a statement has already been filed.
- (5) For any witness who is interviewed, his statement shall be recorded in writing or by other appropriate means for use at other steps in the grievance process as needed.
- (6) The Grievance Aide or a staff member shall document in writing all attempts at informal resolution of the grievance.
- (7) The Grievance Aide, Grievance Coordinator or other person acting with the Coordinator's approval, who is handling the informal resolution step, shall have up to ten (10) working days within which to attempt to resolve the grievance informally. The Grievance Aide or Grievance Coordinator shall notify the grievant of the results of the informal resolution.
- (8) If the grievant is not satisfied with the outcome of the informal resolution step, within five (5) working days of the date of the notice of the informal resolution results, he may make a written request to the Grievance Coordinator that the Grievance Committee hold a hearing concerning his grievance.
- (9) A grievance involving allegations of staff sexual misconduct shall not go through informal resolution or the Grievance Committee, but instead go directly to Step 3 after filing and be reviewed by the Warden. See CPP 3.22.

Policy Number	Effective Date	Page
14.6	February 3, 2006	10

2. Step 2 – Grievance Committee Hearing

- b. Staff conflict grievance
 - (1) The Grievance Committee shall act as a fact finding body only in a staff conflict grievance. In this capacity, the committee shall review any information gathered by previous steps in the grievance process and may obtain additional information by interviews or written statements.
 - (2) The Grievance Committee shall not recommend specific disciplinary actions to be taken against staff members.
 - (3) A grievant may make a written request to the Grievance Coordinator that a grievance concerning a staff conflict not be heard by the Grievance Committee. The grievant may appeal the informal resolution directly to the Warden and proceed with Step 3.
- c. The Grievance Committee shall hear the grievance and produce a recommendation within ten (10) working days after the inmate has requested a hearing.
- d. The inmate shall attend the Grievance Committee hearing unless he has an excused absence or the rules of the specific institution permit or require otherwise. An excused absence requires prior approval from the Grievance Coordinator. Failure by the grievant to attend the hearing shall result in the grievance being dismissed by the committee unless the rules of the specific institution permit or require otherwise.
- e. The grievant may request that another inmate assist him at the hearing. To have another inmate assist him at the hearing, the grievant shall make the request for assistance in writing at the time he requests the hearing and name the inmate from whom he wants assistance. If the requested inmate becomes unavailable before the hearing, then the grievant may request approval for a substitute inmate from the Grievance Coordinator.

The inmate assistant may be:

 - g. The Grievance Committee may call a witness to appear at the hearing or seek other information at the discretion of the Committee Chairman.
 - h. The Grievance Committee shall make a recommendation concerning how to resolve the grievance after the hearing.
 - (1) If a majority of the members of the Grievance Committee agree on a recommendation, but a minority dissents, the minority shall be given the option of having his views documented as well.
 - (2) A split decision means that two committee members agree on a specific recommendation, but the remaining two committee members agree on a different recommendation. Both recommendations shall be numbered and documented.
 - i. After the committee has reviewed the written grievance and held a hearing, the committee shall inform the grievant of its recommendation.
 - j. If the grievant is dissatisfied with the committee's recommendation, he may appeal the grievance to the Warden. If the grievant appeals the recommendation, the grievant shall use the appeal form provided (attachment IV). The grievance appeal shall be limited to one (1) page and state a basis for the appeal. - b. The Warden shall respond to the grievance within fifteen (15) working days of receipt of the grievance from the Grievance Coordinator.
- c. A grievant that is not satisfied with the Warden's decision may appeal that decision to the Commissioner. If the grievant appeals the decision, the grievant shall use the appeal form provided (attachment IV). The appeal shall be limited to one (1) page and the grievant shall explain in the appeal why the Warden's decision did not resolve the grievance. The grievant shall have three (3) working days from the date of the notice of the warden's decision to file an appeal to the Commissioner.

4. Step 4 – Appeal to the Commissioner

- a. If the Warden's decision is appealed to the Commissioner, the appeal form shall be sent with the grievance to the Commissioner's Office through the Grievance Coordinator.
- b. The Commissioner shall review the grievance appeal and make a decision.
- c. The Commissioner's decision shall be in writing and state the reasons for the decision.
- d. The grievant may seek the assistance of the Grievance Aide in the preparation of an appeal. The grievant may request an appeal form from the Grievance Aide.
- e. The Commissioner shall respond to the grievance within fifteen (15) working days from receipt of the appeal.

5. Time Limits

Policy Number	Effective Date	Page
14.6	February 3, 2006	13

extension of the time limit or having the grievance forwarded without action to the next level of review.

2. If an inmate maintains that a grievance is of an emergency nature, the Grievance Aide shall take it directly to the Grievance Coordinator.

 - (2) A grievance about a specific incident or specific health care decision shall be filed within five (5) working days after the incident or decision occurs.
 - (3) A health care grievance may pertain to more than one health care issue. A health care grievance shall not contain issues that do not pertain to the health care of the grievant.
 - (4) The grievant shall include all aspects of the issue in the written grievance that the grievant wants to be addressed by the grievance process so that they can be dealt with during step 1.
 - (5) The grievant shall not use vulgar or abusive language that is unnecessary to explain the grievance. If the grievant

Policy Number	Effective Date	Page

- (6) The grievant may make a request to the Grievance Coordinator that Grievance Aides not have knowledge of the specific health care facts he raises in his grievance. Each institution may prescribe whether these requests shall be made in writing or by other method. Each institution shall establish a method to allow health care grievances to proceed without Grievance Aides obtaining knowledge of the specific health care facts of the grievance. Each institution may determine whether it is able to establish a process of filing sealed grievances so that Grievance Aides can perform duties to include as logging or forwarding that do not require knowledge of the specific facts of the grievance or whether it prefers to establish a process that excludes Grievance Aides entirely.
- (7) The grievant shall execute an authorization to allow necessary institutional staff, grievance staff, health care staff, and outside consultants (if used) to share or review health care information so that the grievance can be effectively handled. The grievant may exclude the Grievance Aide from the authorization. - (8) The Grievance Coordinator may reject a grievance that does not comply with the grievance process requirements. If the grievance is rejected, a written explanation shall be provided to the inmate concerning the reason for the rejection. A rejected grievance shall still be recorded in the grievance log with a notation indicating that it was rejected.

The Grievance Coordinator shall forward the information to the Medical Director's Office for review of the recommendation.

3. Step 3 – Appeal for Final Administrative Review

- b. The Medical Director shall issue a decision within twenty (20) working days after receiving the grievance if information is not sought from an outside source. The Medical Director shall issue a decision within fifteen (15) working days of receiving the information from the outside source, if information is sought.
